WINUN NGARI JANUARY 2021

# NEWSLETTER

## CIVIL CONSTRUCTION COURSE

The Civil Construction course which commenced last year was almost completed and then Covid hit! The course had to be abandoned with only a few units left to complete.

There were 33 participants enrolled at the commencement of the course and when it was prematurely ended we still had 27 participants.

Unfortunately, a few participants have moved on and are no longer linked to WNES. We recommenced the course on Monday the 18th January with 15 men and 3 ladies.

All these participants will gain machinery tickets for Front End Loader, Skidsteer, Grader, Roller, and Watercart.

This is a great achievement — WELL DONE GUYS!

## BEAUTIFUL AGAIN OPEN FOR BUSINESS!

Shakira Kicthing's new beauty therapy clinic is open for business. Her new clients have given her amazing feedback such as; her space is calm and inviting and Shakira is professional and friendly.

Beautiful Again is a local 100% owned business.

Through the Business Incubator Program, Shakira has secured business premises, resources and materials for her business all while accessing wrap around business services ensure her business is sustainable and successful. As we believe in a collaborative approach, we'd like to give a big shout out to Kris Young from Many Rivers.
